Radioactive products will not be accepted for repair. A return material authorization number from Grundfos, along with a completed and signed copy of this form must accompany the returned product. It is the senders responsibility to package, transport and complete the shipping documents regarding the nature of the product shipped. Irrespective of this, Grundfos reserves the right to reject the service order for other reasons. Grundfos will rely on this representation and will look to the customer for reimbursement of any and all costs, claims or damages incurred, including attorney's fees, if any representation is not correct.
